Registration

Please register at the east gate at the Visitor Reception.

Don't forget: You will need a valid ID card or Passport!

To be able to move freely in Industriepark Höchst, you will first be made aware of the safety regulations that apply there.

At the Visitors' Reception, you will be asked to complete a security briefing followed by a test. You will then be given a visitor's badge that will allow you to you can pass through the turnstile.

Please plan for the security briefing and the walk to one of our buildings
20-30 minutes for the security briefing and the walk to one of our buildings.

To prepare for this, you can already watch online the safety film of our site service provider Infraserve:
